

01.06.2023 Veterans Home Family Updates:

Dear Family and Friends of the Veterans Home at Chippewa Falls,

Unfortunately, 1 new team member identified with COVID-19 since our last update. We also have 1 recovered team member.

Accounting for all recent recoveries, we have 2 total cases of COVID on campus - 1 member and 1 team member.

Visitors are still being welcomed to all households; however, please be aware of the risks of visiting during an outbreak - especially in household A. Masks continue to be necessary due to the current outbreak status. KN95 and N95 masks are available at the front desk if you would like to wear those. Please consider telephone or virtual visits if you are more comfortable with connecting from afar. Connect with the Life Enrichment Team if you would like to schedule a virtual visit.

We continue to encourage social distancing, mask use, and will continue to test members and team members frequently to quickly identify any additional cases and additionally enhance cleaning measures.

If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms. If you do test positive after recently visiting the Veterans Home, please alert us so we can take proper precautions for your loved one and the other members & team members at the Veterans Home.

Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Katie Plendl
